## **Allen Rd. Lane Pattern Change in Peoria County**

**PEORIA** – The Illinois Department of Transportation announces that crews will be working on Allen Rd. from Van Winkle Way to Alta Ln. in Peoria County today.

Striping work will be completed during this time.

Motorists will notice a change in lane pattern at this location when the work is complete. The right lane of northbound Allen Rd. will become the through lane; the left lane will become a left turn lane. This work will result in more efficient and safer traffic flow in the area.

Please slow down and use extreme caution while driving through all work zones.
